Something brought us together, and I just felt like you were a good person who I could tell anything to. I was at a low point in my life then, really down and out, hurting over a relationship breakup. Our conversation gave me hope and encouragement to move on. I really am glad we met during your travels across country. Without your inspirational input, I would not be added to my wonderful amber to equal adam +amber= A^2." -*Adam B., happily married in (AR)*

Your beautiful loving spirit drew me out of my shell and infused me with a healing joyfulness, a delight in life that showed up in a gazillion ways, and even toward a sweet appreciation for myself that has been missing all my life. In your example, I am learning to see every moment as a work of art, a gift to be shared as an expression of the divine within each of us. "Renya came into my life literally the way Spirit always does, out of nowhere. She is a bird on a wire suddenly speaking to my heart. She said, "It is all one thing. Separation is an illusion. We are all part of a whole. We are all love and so many of the battles we fight are simply walking us back home to love." Her presence, her laughter, her storytelling, her crafts speak of a land beyond the river that they call the sweet forever. We all have access to this land, but for so many of us, someone like Renya is a guide in a world that seems to be dominated by cars and cans of worms. Renya pulls back the curtain and says, "Look the Wizard of Oz is just a man pulling levers." Working with Renya will open your heart to all that is, was, and ever shall be. My partner and I love her very much and welcome her work in our neighborhood any time." -*Pat J., Minister (SC)*

"Renya is inspiration...from the first moment we met at a spiritual gathering of about 80 people at Swannanoa Palace in Afton, Virginia, in 2012, when she expressed to me that spirit nudged her to stand next to me, I have been in total amazement of how she lives her life. We spent three weeks together which were utterly delightful and amazing. The blog she writes, the colorful, scented prayer bundles she creates, and the many beautiful travel photographs inspire me greatly. The courage she has to open to the unknown and manifest her dreams makes her a spiritual guide of the highest caliber. She is truly a woman of great grace, knowledge, and wisdom." -Gabriele R., (SC)

Her bright light has lifted my spirit and filled my heart with joy during heavy life challenges. As a bird lover this image is powerfully supportive." -Colleen A., Social Services Program Manager (AK)

This allows her to genuinely hear your truth, to remain unfailingly open, and to impart her unshakeable sense of joyous wellbeing. I have had the great good fortune to know Renya well for many decades. Her faith in the ways of the universe has given me courage, her unconditional love has helped me to heal deep wounds, and her pure delight in the adventure of life always fills me with awe.
