

MAWOMBA

Living the Awakened Way

We are a birthing circle
co-creating heaven on earth.
Through our spiral oath with spirit
we honor the pathway of transformation
and tend to the promise of the New Earth.
Midwives and Stewards for our Earth Mother
we embody our thread in the tapestry.
Weaving the web of awakened consciousness
we uphold the circle of all life.
Remembering our divine purpose and sacred agreements
we nurture our wholeness and bathe in grace.
Being = Doing = Flowing = Knowing
we allow our soul- inspired empowered presence to emerge.
Revealing truth and ancient wisdom
we co*create our souls deepest passions
responding to the inner call of our awakening.
As we birth heaven on earth
restoring what has been forgotten
we live from divine essence.
In sacred resonance we merge and emerge
Whole ♥ Honored ♥ Balanced ♥ Blessed
Divine Feminine & Sacred Masculine
living aligned in unified resonance
with every breath, every thought, every step.
AMEN! AWOMAN! ASOUL! AHO!

Dedicated to all the precious souls blessing this world awake
