“When I first received a Prayer Bundle last Christmas, I simply loved its fragrance and softness. The power of the message is very inspirational, and I know it by heart. This world is very mixed up, and it’s easy to get caught up in the chaos leading to anxiety and illness. Learning to let go of certain matters that really have no significance gives us room and time to breathe. As time passes, I find myself handling my bundle more and more because it helps me find balance. Without fail, this sacred treasure continues to have a calming effect and brings me peace. The aroma hasn’t changed, and it amazes me that it still doesn’t show any signs of wear-and-tear. In my mind, we are on this planet to be kind and take care of one another. This heart-warming creation inspires harmony and the blessing of ~ Life Be Gentle With You.” -Nancy S., *Retired Office Manager, International Rotarian (CT)*

“I love your Prayer Bundles, and gave the one I bought to a friend that was undergoing open heart surgery, and it was very empowering for her.” - RD

“Renya is a woman of heart and soul. I knew I had to have one of her prayer bundles when I was about to publish and launch my new book *Resilient Heart: Transcending the Death of Your Loved One*. I told her my prayer was for my message to reach the hands and hearts of those it can comfort and support. She sent the perfect bundle in my favorite purple color and even found a feather with a heart on it! Holding my bundle I feel the care and love with which it was created. I kept it close during the busy publishing and launch time. It worked and *Resilient Heart* is now a #1 International Bestseller. I keep my sacred bundle here on my desk where I write. I highly recommend a prayer bundle for a gift for a friend needing extra prayers or to celebrate a special occasion sending out prayers of gratitude.” -Gail Saunders, *Author (Greece)*
